RESPONSES OF FIRSTLIGHT POWER RESOURCES SERVICES, LLC
TO PRE-HEARING INTERROGATORIES
FROM THE CONNECTICUT ENERGY ADVISORY BOARD

CEAB Question No. 24

Please indicate which of your Company's existing facilities cleared in the first FCM auction.

Response

All of our existing units cleared in the first FCM auction as existing capacity.

CEAB Question No. 25

Please provide your Company's estimate for planning processes of the on-going annual revenue level required for continued operation of each facility. Please indicate whether your Company believes the ISO-NE's Forward Capacity Market auctions will provide sufficient capacity revenues.

Response

FirstLight considers the information requested in this question to be confidential and proprietary.

CEAB Question No. 26

Please indicate for each of your existing facilities assuming that there will be no RMR agreements after 2009:

- a. The anticipated retirement date, if applicable, in the 2008-2017 time period;
- b. The impact(s) of increased emission control, specifically reducing by 20% and then a total of 50% of the allowable NOx emissions on a BTU basis, on equipment investment and economic retirement decisions.

Response

- a. FirstLight considers the information requested in this question to be confidential and proprietary.
- b. FirstLight considers the information requested in this question to be confidential and proprietary.

CEAB Question No. 27

Please indicate which of your planned generating units or expansions of existing units cleared in the first FCM auction? Provide the amount (in MW) that cleared for each facility.

Response

Waterbury Generating Facility – 95.7 MW Summer rating.

CEAB Question No. 28

Please indicate which of your Company's existing or planned generating units or expansions of existing units (and the MW of each facility) submitted show of interest (SOIs) forms for participation in the second FCM auction?

Response

FirstLight considers the information requested in this question to be confidential and proprietary.
